

**Dana Spears**  
**FINAL**  
**CIS 81 – Javascript and Dynamic HTML**  
**Summer 2016**

**ABOUT FINAL:**

Run the final project program by clicking on: **[showtime6.html](#)**

The Final consists of 63 files uploaded at GitHub (2 HTML; 2 CSS; 59 picture files).

The individual files are uploaded in the “FINAL” repository. This is the repository linked to in Canvas.

The same files are contained in a zipped folder and placed in a Zip Archive. The Zip File is in the “Zip File – Final” Repository.
